Evangelion
Elevator Counter

DESCRIPTION

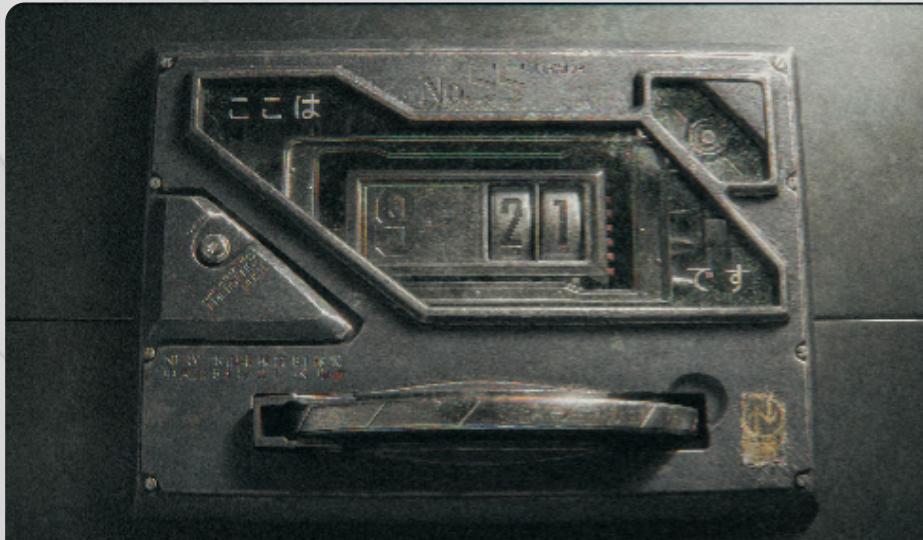

This is a tribute to work that made me question existence and I wanted to make an experience that feels more alive, using light to drive the emotion.
Elevator represents the unpredictable doors life offers to us all.

ABOUT ME

VIT PRECHTL - 16/11/2004

I AM A 20 YEAR OLD MULTI-DISCIPLINARY ARTIST.
OUTSIDE OF ART I LOVE CALISTHENICS AND HISTORY.
I HOPE OF BECOMING AN ART DIRECTOR, AND USE
STORYTELLING TO EXPRESS MYSELF WITH POETIC
IMAGERY THAT FEELS ALIVE.

WANTING TO INSPIRE OTHERS NOT ONLY SHOWING A
GREAT IMAGERY, BUT HOPE TOWARD REACHING
SOMETHING GREATER TOGETHER.

I BELIEVE THAT TRUE GREATNESS AND VALUE LIES IN YOU
AS A PERSON, YOUR MINDSET TELLS IT ALL, AND NOT
MATERIALISTIC POSSESSIONS.

I'M TRYING TO VALUE OF MYSELF USING ART.
AT THE MOMENT I'M BROKE, BUT THEY SAY SLOW SUCCESS
BUILDS CHARACTER, SO I'LL GET BACK TO WORK.

HIRE ME, LET'S BUILD YOUR VALUE!
